**BRAND REGISTRY AUTHORISATION**

By signing this form, you confirm that:

- (i) You authorise the "Brand Manager" identified below to manage your brand on Amazon through Amazon's Brand Registry.
- (ii) You have the ownership rights to give the authority described in (i) above.

If you feel, at any time, that the identified Brand Manager should no longer manage your brand through Amazon's Brand Registry, contact [brand-registry-service@amazon.com](mailto:brand-registry-service@amazon.com) (English-speaking only) to revoke the Brand Manager's authorisation.

**Note that:**

- By granting Brand Registry authority to an Amazon seller, you are giving that seller greater control, compared to other sellers, over the Amazon detail page attributes (e.g. titles, descriptions and images) for products under your brand.
- Brand Registry enrolment authorisation does not prohibit other sellers from selling the registered products on Amazon.
- Brand Registry authorisation is an agreement solely between you and the seller you authorise. Amazon does not vouch for the suitability of the authorised seller or any actions taken (or not taken) by the authorised seller. You acknowledge that Amazon has no responsibility or liability for any actions or inactions by the authorised seller.
- Amazon in its sole discretion may, at any time, modify the enrolment conditions for the Amazon's Brand Registry programme or cancel any seller's participation to this programme.
